Pilgrims' School • Winchester Cathedral • Winchester City Mill NT
Winchester City Museum • Winchester Discovery Centre
Winchester Tourist Guides

Special thanks go to all the amazing volunteers, event organisers,
businesses and organisations for their commitment and hard work -
without them this event simply would not happen!

Welcome to **WINCHESTER'S** **HERITAGE OPEN DAYS**

Now in its fourth year, Winchester Heritage Open Days just seems to get bigger and better. We are always delighted to see so many favourites return and excited to be introducing some new events too. Remember, each one is FREE to attend but some of the more popular events get booked up very fast, so you will need to be quick!

We are immensely grateful to our lead sponsor, Winchester College, for supporting us again this year and look forward to

welcoming you to all the wonderful events that they are so generously hosting for us. We would also like to extend a warm thank you to all our other sponsors, supporters and volunteers, including Hampshire County Council for allowing us the use of the Great Hall and the City of Winchester Trust and University of Winchester for their invaluable help.

Nevertheless, we live in challenging times and whilst the festival continues to grow in popularity, so do its costs. With over 140 free events on offer this year, the festival is entirely run by an enthusiastic team of volunteers who all give up their time for free. Winchester Heritage Open Days is a community festival and we want it to remain so, but we receive no core funding and rely solely on grants and the generosity of local businesses, organisations and individuals for financial support to keep the festival afloat.

We hope you will find much to interest you in this year's packed programme of events but, if you would like see Winchester Heritage Open Days back again next year, we need your help. Please visit our website for more details but, if you particularly enjoy an event you go to and would like to show your appreciation in some way, any donations you are able to put into our little pink pots will be very gratefully received and will go a very long way.

We very much look forward to seeing you this September.

DELVE INTO THE PAST...

'The story of Winchester runs like a golden thread through the history of England' making the city a go-to destination for any historian. Check out what's happening at Winchester College, the Discovery Centre, City Museum, The Great Hall and some of the smaller and more unusual venues - you will not be disappointed!

BE NOSEY

Don't miss this chance to go behind closed doors and discover parts of the city you never knew existed. Book a special tour at **Winchester College**, visit its Treasury, hear the Quiristers rehearse and attend talks in New Hall. Go behind the scenes at the **Hampshire Cultural Trust** and learn about their impressive collections. Come and meet the Mayor of Winchester in her official home at the **Abbey House Open Day** and get a glimpse of a Regency ballroom on a guided tour of **St John's Assembly Rooms**. Further afield, the IBM Museum at **Hursley House** will appeal to computer buffs... but did you know the building was also once home to the team behind the Spitfire?

TALKS AND TOURS GALORE!

With some excellent speakers lined up on a whole range of topics, you may find it hard to choose which to go to... There's Masterchef winner **Jane Devonshire** who will be sharing her passion for local fare and some inside gossip on the show; or perhaps

ITV journalist and presenter, **Alastair Stewart**, discussing the impact of technology on news coverage; and also historian, **Rebecca Rideal**, who will unravel one of the most important events in British history. And there are dozens of tours taking place around Winchester and further afield but do book up early as they are always popular.

IT'S SHOW TIME

Come and watch the talented **Blue Apple Theatre** perform at two different events this year, the **Waynflete Singers** return to the Great Hall and the **Winchester Musicals & Opera Society** will be entertaining us with extracts from their hugely successful production of *Made In Dagenham* at St Maurice's Covert.

Performing in costume, the

Madding Crowd will bring their new programme to Pilgrims' Hall, and we are looking forward to poetry events from both **Loose Muse** and **Winchester Poetry**

Festival. We are delighted to welcome back **2Time Theatre** who will be shining a spotlight on the pioneering Hampshire engineer Beatrice Shilling in an original drama of *Tilly and the Spitfires*.

FAMILY FUN

Feeling creative...? Then grab a paintbrush at **The Colour Factory** or

join in the **Hyde900 Medieval tile workshop**. If your little one is an aspiring chef, then let them try **Chocolate-making at Montezuma's** or they can pick up tips at **Fishy fun for mini Steins**. Don't forget to pop in to the **Military Museums**, see how flour is made at the **City Mill** and go backstage at the **Theatre Royal**. Try out sports and other activities at the **Lido**, watch **Medieval Knights at the Westgate** in combat and visit **Weorod: Early Medieval Living History** near the Cathedral. Go treasure hunting at the **Winchester Quaker Meeting House**, meet Regency dancers and Tudor musicians at **The Great Hall** and book in to one of the many storytelling sessions around the city.

POETRY, PIES AND PEOPLE POWER - WHAT'S NOT TO CELEBRATE!

This year we are celebrating **HODs' 25th Anniversary**, but there is much more besides!

Look out for events on **Keats200** remembering his visit to Winchester, **People Power**, the **First 100 Years of Women in Law** and the centenary of **Women's Engineering Society**. And if that isn't enough we thought we would throw in a little more fun with a **Food & Drink** theme too!

OUT AND ABOUT

One of the best ways to enjoy the city is on foot so why not join our guides and discover the fascinating history of **West Hill Cemetery** and **Medieval Winchester**, walks taken by **Keats in Hyde**, and **Nature Tours on St Cross Meadows**. Travel on a vintage bus with **King Alfred Buses** and take in the historic sites on **Bespoke Biking's Bike Tour of Winchester** with interesting facts and quirky tales along the way. Further afield there's plenty to keep you amused at the **Worthys Festival**

and **Bullington Village Fete**. In Alresford you will find a **Norman Bridge** and an **Eel House** and you can book a guided tour of **The Grange** at Northington, a 'roofed' ruin of one of the earliest Greek revival houses in Europe.

AND NOW FOR SOMETHING COMPLETELY DIFFERENT...

New for this year are **Craft Skills Workshops with Granary Creative Arts**, a **Winchester Cathedral Open Evening** and a rare opportunity to see inside **Abbotts Barton Farmhouse** with a history that can be traced back to Hyde Abbey. You can also visit three **Open Greener Houses**, organised by

Winchester Action on Climate Change, and talk with the owners about ways of reducing energy consumption in your home. Take a trip to Southampton to see **God's House Tower** which will reopen in September following extensive refurbishment. Built to defend Southampton from attack 700 years ago, it will become the city's newest arts and heritage venue.

WINCHESTER
COLLEGE

Winchester College is delighted to sponsor
Winchester Heritage Open Days again this year.

The College, founded in 1382 by a local boy who rose from unexceptional origins to become the most influential citizen in the land, has unique buildings, an extensive archive, and, in its Treasury, a restored space for exhibiting its collections. Yet even longstanding Winchester residents may not have seen even a part of the treasures which the College is privileged to possess.

Heritage Open Days enable not only the College but also our city to celebrate our heritage and to make the wider world aware of it. We look forward to a spirit of co-operation, openness and access not just in these few days but also over the years to come.

Dr Tim Hands
Headmaster, Winchester College

www.winchestercollege.org

PLAN YOUR DAYS

Please note that all events marked with a  must be booked in advance.

For full details of all events and booking information please visit our website www.winchesterheritageopendays.org. Alternatively, you can contact the Winchester Tourist Information Centre, Winchester Guildhall, High Street, Winchester, SO23 9GH. Tel: 01962 840500.

Please note that the information in this programme is correct at time of printing but may change. Please check our website for additional events and any last-minute changes or cancellations.
